(include area code)

Describe Damage: What is the damage?

When did the damage take place?

Are you the owner of the vehicle/property?

Vehicle Year, Make, Model, and Color:

Approximate vehicle mileage:

Location of vehicle should it need inspection:

Is the vehicle drivable?

What was the initial reason for AAA service?

Were you present when the damage took place? If not, who was?

In your opinion, how did the damage occur?

Did anyone try to assist you with servicing the vehicle prior to the service provider arriving?

Have you discussed the damage with the driver or the service provider?

Did the driver acknowledge the damage? If yes, what did the driver recommend?

If damage occurred from tow, how was the vehicle loaded?

If it was a tow, did you accompany the vehicle?

What tools were used? (Air bag and long reach tool/lockout or power tools or hand tools/tire change, flatbed or wheel lift for tow calls. If tow-related, how was the vehicle loaded onto the tow truck?)

Why do you think the driver is responsible for the reported damage? (Driver specific actions)
